Projects

- Built a client invoicing product
- Portfolio: <https://gb-william.github.io>

Interests

- Municipal councillor in Longeville-lès-Metz (since 2026).
- Sports (cycling, golf, tennis).
- Music and playing the piano.
- Web development.
- Travel.

Profile

Student in my 2nd year of a Software Development Bachelor's degree, focused on full-stack development. I currently build applications and I'm particularly interested in business tool design and software architecture.

Rigorous and self-driven, I want to make a concrete contribution to developing or improving internal applications within a structured, international work environment.

Skills

- Proficient in Microsoft Office
- HTML/CSS, Python, JavaScript, SQL, PHP
- Web Accessibility (Basics)
- VS Code, GitHub
- Organizational skills
- Rigor and work ethic
- Adaptability
- Team player
